

CRAVEN YOUNG CITIZEN DAY AND CRUCIAL CREW 2009

Dear Claire,

I am writing to you to offer our thanks for the generous contribution that you made to this year's Crucial Crew event. The large "Gazebo" you loaned to the event made an excellent base for the road safety workshop and allowed the children to take part (whilst keeping dry !!) throughout the full two weeks. I am the coordinator of the Craven District Crucial Crew which is a multi agency event for Year 6 children. The event gives the children the chance to visit and take part in 12 varied scenarios and workshops. These are all geared to offer them advice and guidance about making their own choices for a safe future.

The event is open to every year 6 child attending a school in the Craven District of North Yorkshire and this year, as in other years, there has been a 100% take up . This meant that in the event we have just held we accommodated over 700 children over the two weeks with a further 80 accompanying teachers and support staff.

My role as event coordinator is made very much easier when working in partnership with companies such as yours.

Once again on behalf of all of the agencies taking part in this years event I would like to say a big " Thank you "

I am hoping to send this letter to you electronically so I can attach a photo of the workshop which included your fine structure.....

Yours sincerely

Andrew
